Case No. 11-12254
Chapter 11

360- Application to approve professional fees and expenses for Warren Averett Kimbrough & Marino, LLC. I am writing this as my objections to paying them any more money. They stated that they have been engaged by the debtor since Sept. 22, 2011. They stated that they are holding \$65, 840.00 as a cash retainer. They ask for a cash retainer because the debtors were fielding voluntary petition for bankruptcy. Knowing they did not have to pay others, this should be payment in full. Mr. Bradley Bellville (President of Money Tree) could pay them from the over \$100.000 he made since fielding bankruptcy. Please do not pay Warren Averett Kimbrough & Marion, LLC any money. The debtors need to pay me and others. It was about 1.4 millions the debtor paid lawyers and not others.
