To whom it may concern,

This is in response to the memo dated June 28, 2012 from the Alabama bankruptcy court. (Small loans, Inc. debtor. Case No.11-12254 Chapter 11)

We strongly object to the application to approve professional fees and expenses for a Mr. Moseley totaling \$539,137.66 for 4 months work. As a family we have approximately \$124,000.00 invested in this company that is unaccounted for. Prior to the bankruptcy, we requested our principal investments, and were denied with little explanation. It is appalling that The Money Tree is paying a lawyer large sums of money when the investors are left holding the bag so to speak.

Please file this objection with the court prior to the hearing on August 7,2012.
