٧.

GC LOT LOAN, LLC, a Georgia limited liability Company and RL PROP 2011-1 INVESTMENTS LLC, a Delaware limited liability company,

Intervenors.

# RESPONSE BY RECEIVER TO MOTION TO INTERVENE AND TO DISOLVE RECEIVERSHIP

COMES NOW, Hays Financial Consulting, LLC, the Receiver (the "Receiver") for the assets and property (the "Property") of the above captioned Defendants (the "Defendants"), and files this Response (the "Response") to the Motion (the "Motion to Intervene") filed by the above styled Intervenors (the "Intervenors") to intervene and to dissolve the receivership (the "Receivership") created by this Court pursuant to an Order of this Court dated August 2, 2012 (the "Appointment Order"). In support of the Response, the Receiver hereby represents as follows:

1. The Receiver does not object to the submission of the Intervenors to the jurisdiction of the Court and does not dispute that the Intervenors: a) may have succeeded to the interest of the

Plaintiff United Community Bank (the "Plaintiff"); and b) are now subject to the terms of the Appointment Order to the same extent as the Plaintiff. The interest of Intervenors in and to the Property is no greater than any interest previously held by the Plaintiff in and to the Property until such time as the foreclosure process initiated by the Plaintiff against the Property is completed.

- 2. Contrary to the assertions of the Intervenors in the Motion to Intervene, the Intervenors have not yet succeeded to the interest of the above captioned Defendants (the "Defendants") in the Property subject to the Receivership.
- 3. As indicated in the Motion (the "Motion for Authority") by the Receiver for: 1) authority to:
  a) relinquish possession of the Property of the Receivership Estate (the "Estate") to the successful bidder at the foreclosure sale (the "Foreclosure Sale") of the Property scheduled for December 4, 2012, without any liability or recourse; b) close the Estate and terminate its duties as Receiver; c) file a final report regarding the administration of the Estate and any unpaid debts; and d) withdraw as Receiver for the Property; 2) instructions for the payment or non-payment of certain outstanding debts; 3) a discharge of any further liability or obligation; and/or 4) authority to file a petition seeking bankruptcy protection for the Defendants, the Intervenors purportedly intend to pursue the Foreclosure Sale of the Property scheduled to occur next week on December 4, 2012.
- 4. Although the Intervenors claim in the Motion to Intervene to be the true party in interest, the Receiver is an officer of the court with the fiduciary responsibility to act in the best interests of all parties involved in the Receivership rather than any particular party-in-interest such as the Intervenors. *See City of Chula Vista v. Gutierrez*, 207 Cal. App. 4th 681, 685 (Cal. App. 4th Dist. 2012) (citations omitted); *Waag v. Hamm*, 10 F. Supp. 2d 1191, 1193 (D. Colo.

- 1998); Sec. Pac. Nat'l Bank v. Geernaert, 199 Cal. App. 3d 1425, 1431-1432 (Cal. App. 5th Dist. 1988).
- 5. Since the entry of the Appointment Order, the Receiver has been duly acting as Receiver of the Property and has incurred necessary expenses in the administration of the Receivership and the care, preservation, and protection of the Property.
- 6. Pursuant to Paragraph 12 of the Appointment Order, "It shall be incumbent upon the Receiver, in the Receiver's sole and absolute discretion, to make the determination which expenses...are necessary for the continued operation of the Property. The Receiver's determination shall be binding on the parties hereto."
- 7. Prior to the Intervenors succeeding to the interest of the Plaintiff, the Plaintiff provided funds to pay the expenses of the Receivership since the operation of the Property by the Receiver continued to preserve the going concern value of the Property for the benefit of the Plaintiff, other parties-in-interest, and potential successor owners of the Property such as the Intervenors.
- 8. The funds currently in the possession of the Receiver are insufficient to pay all obligations related to the Receivership and the Property incurred prior to the date of the Foreclosure Sale and, despite oral and written contractual commitments to fund the unpaid operating expenses of the Receivership for November in the amount of \$120,000 as recently as this week, the Intervenors have thus far refused to provide sufficient funding to pay the expenses incurred during the Receivership even though the Intervenors will continue to obtain the benefits provided by the value maintained as a result of the Receivership.
- 9. In the Motion to Intervene, the Intervenors: a) seek to: i) intervene in the above captioned civil action; ii) dissolve the Receivership without providing funds to pay the expenses of the

- Receivership; b) object to any need for urgency or expedition for a hearing with regard to the Motion for Authority; and c) request that the Motion for Authority be denied.
- 10. The relief sought in the Motion to Intervene other than the intervention of the Intervenors would benefit the Intervenors at the expense of the Receivership and its creditors and, as such, should be denied.

## Current Status of the Receivership

- 11. The Receivership currently has cash in the amount of approximately \$136,000.
- 12. The liabilities related to the Receivership and the Property may be classified as: a) debts incurred prior to the possession of the Receiver; b) debts incurred during the funding period of the Plaintiff (August 1, 2012 through October 31, 2012); and c) debts incurred during the funding period of the Purchaser (November 1, 2012, forward).
- 13. Attached hereto as Exhibit "A" and incorporated herein by reference is a schedule of unpaid expenses of the Receivership as of December 1, 2012, which greatly exceed the funds presently available to the Receiver (the "Unpaid Expenses").

WHEREFORE, the Receiver respectfully requests the entry of an Order that:

- 1. Either denies the Motion to Intervene; or
- 2. Grants the Motion to Intervene in part and order the dissolution of the Receivership upon condition that the Intervenors pay the Receiver either: a) the funds previously promised to be provided by the Intervenors, plus other costs incurred by the Receiver; or b) the funds necessary to pay the Unpaid Expenses of the Receivership through and including December 4, 2012;

- 3. Sets an expedited hearing on the approval of the Motion for Authority, the Motion to Intervene, and this Response at the earliest possible day and date; and
- 4. Grants such other and further relief as the Court deems just and proper.

Respectfully submitted, this the 29th day of November, 2012.
