As Assignee for the Assets of Omnico Group USA, Inc.
2964 Peachtree Road, Suite 555

TO: OMNICO GROUP USA, INC. FORMER EMPLOYEES

RE: OMNICO GROUP USA, INC. f/k/a MATRA SYSTEMS, INC. ("Omnico")

This letter is being sent to you as a former Omnico employee to address certain questions some employees have been asking.

Per the attached Notice, Omnico engaged in an Assignment for the Benefit of Creditors and has assigned its assets to OGUSA Assignee, Inc. (the "**Assignee**") which is now serving as the owner of the assets. Please carefully review the Notice and related documents which are available on my web site at www.haysconsulting.net. Similarly, Omnico's UK affiliate has been placed into Liquidation in the United Kingdom.

Omnico UK sold the intellectual property to Lo-Q Limited which is affiliated with Accesso, Inc. The Assignee claimed an interest in the sale proceeds and we reached a settlement with Omnico UK and recovered \$268,432 for the eventual distribution to creditors of Omnico, including former employees. We are currently working on recovering receivables and other assets.

Accesso is beginning to service **Omnico's former customers**. The following is a link to Accesso's web site: <https://www.accesso.com>. If you are in contact with any former customers that require assistance with respect to the software, please refer them to Fern MacDonald, Chief Financial Officer of Accesso at Fern.MacDonald@accesso.com or phone at (508) 846-8951.

Attached is a **Proof of Claim** that you need to complete and return to us at the above address. All wages and PTO were paid before closing, but we understand some employees have Expense Reports that were not paid and some employees may have claims for severance pay in their employment contracts. Please complete the claim form and attach any supporting documents to justify your claim. You can email the completed Claim Form to my attention. Marie Robier is assisting me in reviewing employee claims and managing benefits matters. She can be reached at the email address below for any specific employment claims you may have.

Due to the termination of the **medical plan**, there is no COBRA coverage available and Omnico's insurance companies offer no individual medical plan. Accordingly, my understanding

is you have 63 days from date of termination (June 22, 2022) to sign up for a new medical plan at www.healthcare.gov. Please do this now so you have no lapse in coverage. If you do not have a new policy, coverage may be denied.

The **401K Plan** is being terminated and you will receive notices from the Third Party Administrator on moving your funds. Please make this a priority before the plan is terminated as it will be more difficult to roll your funds to an IRA or new employer's 401K Plan after termination.

All former employees are required to return any **Omnico equipment** including laptops. We will provide a Fed-X label and ask you take the equipment to a Fed-X store to ship to our offices. If you have any equipment that needs to be returned, please contact Dwaine Butler in my office. Also, if you have any personal property at one of the offices, please let Dwaine Butler know and we will see what arrangements can be made to return that to you.

At this time, we do not know what funds the Assignee will have to pay claims, but we plan to pay all outstanding Expense Reports and make a distribution on any severance claims that were provided for in employment contracts.

The Assignment documents are available on my web site at www.haysconsulting.net. Please contact me with any questions.

Sincerely,

S. Gregory Hays, President
